From February, 2016 ANA international in-flight programming will broadcast “Is Japan Cool? COSPLAY” based on the documentary “World Cosplayers” which was filmed at the World Cosplay Summit Executive Committee (chairperson: WCS Inc. representative director Oguri Tokumaru) sponsored event World Cosplay Summit.

This program follows the cosplayers from China and Indonesia who were visiting Japan as overseas representatives for the World Cosplay Summit 2014. The documentary follows them from their local event to their appearance at the World Cosplay Summit. This 70-minute program shows the strong feelings cosplayers have for Japanese anime and manga as well as the World Cosplay Summit.
